

**OUR HEART
BEATS FOR
ACTIVE
ASSET
MANAGEMENT**

Active is: Allianz Global Investors

As a leading active asset manager with over 790 investment professionals in 25 offices worldwide, we manage €543 billion in assets for individuals, families and institutions. Active is the most important word in our vocabulary.

Active is how we create and share value with clients. We believe in solving, not selling, and in adding value beyond pure economic gain. We invest for the long term, employing our innovative investment expertise and global resources.

It is our deep conviction that human insight and connection are essential to finding the best solution for our clients' needs. That's why our heart beats for active asset management.

Collaborating globally by sharing insights

Researching opportunities to generate an information advantage

Committed to integrating ES&G factors into all investment decisions and asset classes

Capturing the investment potential of artificial intelligence and new technologies

Addressing clients' needs with a broad range of investment capabilities

Providing alternative investment solutions

Over

investment expertise

Solving, not selling

Adding value beyond
pure economic gain

Value. Shared.

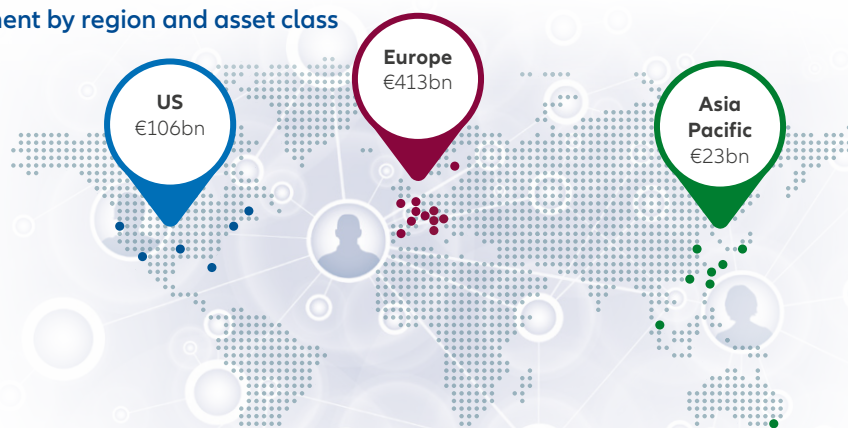

Allianz 
Global Investors

Active is: Investing with conviction

Our commitment to active asset management is unambiguous. Whatever the asset class, geographic scope or investment style, we are always active. Our active offering encompasses equities, fixed income, multi-asset

and alternatives, with convictions based on local and global market insight. Underpinned by strong data, vast experience and a culture of risk management, our broad offering translates into real choices to meet clients' investment needs.

Assets under management by region and asset class

Active is: Protecting and enhancing our clients' assets

Researching opportunities

Gathering and analysing data from multiple sources is an essential part of our active approach to investing.

Our long-term commitment to proprietary research enables us to achieve a clear information advantage.

Active is: Providing information advantage
