

Allianz Global High Payout Fund

Allianz Global Investors Premier Funds
CUR

Allianz 
Global Investors

Investment Objective

The Fund aims to provide investors with total return from dividend income, option premiums and capital appreciation, sustainable distributions, and typically lower portfolio volatility compared to an equity investment, by investing in a globally diversified portfolio of equities which offer attractive and sustainable dividend yields, and selling call options to generate option premiums which will enhance dividends and reduce overall portfolio risk.

Source: All fund data quoted are Allianz Global Investors/IDS GmbH, as at 30/06/2024, unless stated otherwise.

Performance returns for periods over one year are annualised. Fund performance is calculated in the respective fund currency with net income and dividends reinvested. Investment returns are denominated in the respective base currency of the fund. SGD based investors are exposed to non-SGD foreign exchange fluctuations.

- 1) "Offer-Bid" performance data takes into account up to 5.00% of the initial fee of the investment.
- 2) The information is provided for illustrative purposes only to demonstrate the Fund's investment strategy, it should not be considered a recommendation to purchase or sell any particular security or strategy or an investment advice. There is no assurance that any securities discussed herein will remain in the Fund at the time you receive this document. Past performance is not indicative of future results. While best efforts are used in compiling the information, Allianz Global Investors and its affiliated entities expressly assumes no warranty of any kind, actual or implied, for the accuracy, completeness and timeliness of the information.
- 3) Annualised Dividend Yield = $[(1 + \text{Dividend Per Share} / \text{Ex-Dividend Date NAV})^2 - 1] \times 100$
- 4) With effect from 1 December 2023, the benchmark for the SGD Class of the Allianz Global High Payout Fund will be MSCI World Index in SGD, and the benchmark for the USD Class of the Allianz Global High Payout Fund will be MSCI World Index in USD. The benchmarks for these classes will be changed with effect from 1 December 2023 as the previous benchmark (i.e. 60% MSCI World + 40% Dividend Yield (MSCI World)) is no longer representative of the current investment strategy of the Allianz Global High Payout Fund.
- 5) The Fund size quoted includes all share classes of the Fund.
- 6) Investment using Supplementary Retirement Scheme ("SRS") and CPF monies is only applicable to investors in Singapore.
- 7) Investors should refer to the CPF interest rate structure from the CPF website and read the Prospectus obtainable from AllianzGI Singapore or any of its appointed distributors before investing.

The information presented here is intended for general circulation and does not constitute a recommendation to anyone; it also has not taken into account the specific investment objectives, financial situation or particular needs of any particular person. Information herein is based on sources we believe to be accurate and reliable as at the date it was made. We reserve the right to revise any information herein at any time without notice. No offer or solicitation to buy or sell securities and no investment advice or recommendation is made herein. In making investment decisions, investors should not rely solely on this publication but should seek independent professional advice. However, if you choose not to seek professional advice, you should consider the suitability of the product for yourself. Past performance of the fund manager(s) and the fund is not indicative of future performance. Prices of units in the Fund and the income from them, if any, may fall as well as rise and cannot be guaranteed. Distribution payments of the Fund, where applicable, may at the sole discretion of the Manager, be made out of either income and/or net capital gains or capital of the Fund. As a result of the payment, the Fund's net asset value is expected to be immediately reduced. The dividend yields and payouts are not guaranteed and might change depending on the market conditions or at the Manager's discretion; past payout yields and payments do not represent future payout yields and payments. Investment involves risks including the possible loss of principal amount invested and risks associated with investment in emerging and less developed markets. The Fund may invest in financial derivative instruments and/or structured products and be subject to various risks (including counterparty, liquidity, credit and market risks etc.). Past performance, or any prediction, projection or forecast, is not indicative of future performance. Investors should read the Prospectus obtainable from Allianz Global Investors Singapore Limited or any of its appointed distributors for further details including the risk factors, before investing. The duplication, publication, extraction, or transmission of the contents, irrespective of the form is not permitted, except for the case of explicit permission by Allianz Global Investors.
